

AW4

Discover an Exceptional Experience

Powerful performance

Total cleaning and optimised water filtration, with PowerStream mobility system for full cleaning coverage.

Ease of use

The easiest, most efficient and economical solution for keeping your pool clean.

Peace of mind

Relax and enjoy your pool, knowing that you're using the smartest and best-selling robotic pool cleaner.

Dolphin AW4

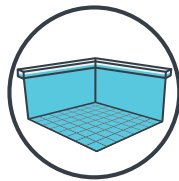

Superior Pool Cleaning

Add convenience to your pool cleaning with the Maytronics **Dolphin AW4**, which offers advanced features such as dual level filtration, active scrubbing, cable swivel and the PowerStream mobility system. The Dolphin AW4 is lightweight with quick water release when removing from the pool.

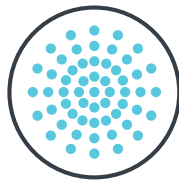

Actively cleans and scrubs away dirt and debris

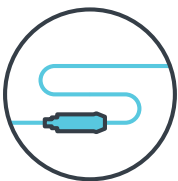

Maximum pool coverage - floor, walls and waterline

PowerStream mobility improves navigation and cleaning efficiency on the floor, walls, and waterline

Dual level filtration system with interchangeable fine and ultra-fine filters

Swivel cable helps prevent cable tangles

Top load filter basket for super-easy cleaning
