### Dolphin M 600

Maximum cleaning performance with minimum effort and hassle. The all-new Dolphin M 600 robotic pool cleaner makes it super-easy to look after your swimming pool. Convenient handling and simple operation that needs no intervention from you and it is cloud-connected, so you've always got control right in your hand, no matter where you are.

### Dolphin M 400

Brace yourself for the new experience with the ultimate pool cleaner, with wifi connectivity. The Dolphin M400 robotic cleaner cleans walls, floor and waterline with optimal coverage, regardless of pool shape, slope or obstacles. Always connected with the MyDolphin Plus app so you have control of your robot in your hand at any time.

### Dolphin M 3

This robotic pool cleaner is reliable and requires little investment. With a Dolphin Supreme M3 you can enjoy expert cleaning of your pool floor and cove, including those difficult to reach angles where the pool floor meets the walls.
