CALPLUS

CALCIUM ADJUSTER

ACTIVE CONSTITUENTS:
CALCIUM CHLORIDE >71%

CONDITION OF SALE

FOCUS PRODUCTS P/L will not accept any responsibility howsoever it will arise and whether consequently or otherwise in connection with the supply or use of these goods other than their responsibility for the merchantable quality of the goods and such responsibilities mandatorily imposed by applicable statutes. To the extent allowed by such statutes the liability of FOCUS PRODUCTS P/L is limited to the cost of the product purchased.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

DIRECTIONS FOR USE

Add FOCUS CALPLUS to the pool at the rate of 100g per 10,000 litres of pool water to increase the calcium level by approx. 10ppm. Calcium Hardness of the pool should be maintained between 150 - 250ppm. This 2kg pack will raise the calcium hardness of an average 50,000 litre in-ground pool by approx. 40ppm.

GENERAL INSTRUCTIONS

Consult a pool professional and test the pool water before adding CALPLUS to determine the correct dosage. Add the correct measure of CAL-PLUS as a slurry mix directly to the pool and run the filter for 4 to 6 hours.

RISK

Harmful if swallowed. Risk of serious damage to eyes.

SAFETY

Keep out of reach of children. Keep away from food, drink and animal feed. When using, DO NOT eat, drink or smoke. Avoid contact with eyes, skin and clothing. Wear suitable protective clothing, gloves and eye protection. Dilute with water only, and add the product to the water. DO NOT breathe dust. DO NOT mix with other chemicals. Keep in a cool, dry, ventilated area. Re-seal bag when not in use.

FIRST AID

If you feel unwell, contact the Poisons Information Centre (Australia - 131126, NZ - 0800764766) or a doctor. If swallowed, DO NOT induce vomiting. Immediately wash out the mouth with water. Seek medical attention. In case of contact with eyes, rinse immediately with plenty of water and contact a doctor or The Poisons Information Centre. After contact with skin, wash thoroughly with soap and water. If irritation continues, seek medical advice.

WARNING

May be fatal to children.
