CONDITION OF SALE

FOCUS PRODUCTS P/L will not accept any responsibility howsoever it will arise and whether consequently or otherwise in connection with the supply or use of these goods other than their responsibility for the merchantable quality of the goods and such responsibilities mandatorily imposed by applicable statutes. To the extent allowed by such statutes the liability of FOCUS PRODUCTS P/L is limited to the cost of the product purchased.

DIRECTIONS FOR USE

DO NOT USE IN POOLS OTHER THAN PEBBLECRETE, WHITE PLASTER & TILED POOLS.

Ensure required levels of chlorine, pH and total alkalinity are present as listed below:

TYPE OF POOL	Minimum level Chlorine level (mg/L)	Total Alkalinity (mg/L)	pH range (optimum)
Cold water	2.0	60	7.2-7.8
Water temp >25 Deg	3.0	60	7.2-7.8

Place product directly onto black spots or algae problems. Wait 24 to 26 hours then scrub with algae brush.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

This product must be used with a registered sanitiser. Stabiliser levels MUST be tested fortnightly by your local pool shop or by the use of a reliable test kit. Once stabiliser levels reach 50mg/L DO NOT use this product until stabiliser levels fall below that level. UNDER NO CIRCUMSTANCES should stabiliser concentrations be allowed to exceed 100mg/L. If stabiliser concentration needs to be reduced, consult your local pool shop.

SAFETY DIRECTIONS

Highly reactive oxidising chlorine compound. May cause fire and explosion or produce severe burns. Product will irritate the eyes, nose, throat and skin. Avoid contact with the eyes, skin and clothing. DO NOT inhale dust. DO NOT allow the product to come in contact with other chemicals, especially acids, or with combustible materials such as paper, fabric, sawdust or kerosene. DO NOT allow it to get damp. Use clean containers for dispersing. DO NOT mix with other chemicals. DO NOT mix with different types of chlorinating chemicals. Mix with water only. DO NOT add water to the product - add the product to water, but in the case of fire, drench with water. Store undercover in a dry, clean, cool well ventilated place away from sunlight. Store and transport in an upright container. In case of spillage, flush with large quantities of water. Wash hands after use.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126; New Zealand: 0800 764 766. If swallowed, DO NOT induce vomiting. Give a glass of water. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.
