### CONDITION OF SALE

FOCUS PRODUCTS P/L will not accept any responsibility howsoever it will arise and whether consequently or otherwise in connection with the supply or use of these goods other than their responsibility for the merchantable quality of the goods and such responsibilities mandatorily imposed by applicable statutes. To the extent allowed by such statutes the liability of FOCUS PRODUCTS P/L is limited to the cost of the product purchased.

### DIRECTIONS FOR USE

Focus Hydroclear Algae Treatment must NOT be used without a sanitiser when the pool is used for bathing.

	POOL CAPACITY (LITRES)		
	10,000	20,000	50,000
Initial Dosage rate	225mls	450mls	1.125 Litre
Monthly Dose	280mls	460mls	1.4 Litres
Winter Dose	460mls	920mls	2.25Litres

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

### GENERAL INSTRUCTIONS

Algaecide products must be used with a registered sanitiser when the pool is used for bathing. To prevent the water appearing hazy, Focus Hydroclear Algae Treatment should NOT be added for at least 48 hours after super chlorinating the pool. However during normal dosing this time delay is not required. Use the product monthly or if under high bathing load use weekly.

Clean the pool thoroughly, brush walls and floor. Vacuum Pool. Adjust pH to between 7.2-7.6, and chlorine concentration to 1.5-3ppm. Filter as normal.

Add Focus Hydroclear Algae Treatment after swimming has finished for the day, as determined from the table. Do not add via skimmer box, predilute in pool water and broadcast across the water surface. Allow a few days for the product to clear algae-infected pools. To remove blackspot and other growths on walls.

### STORAGE AND HANDLING

Store in the closed original container in a cool, dry place. DO NOT store in direct sunlight. Dispose of the container by triple rinsing, adding rinsings to the pool, and wrap the container in paper disposing in garbage bin.

### SAFETY DIRECTIONS

Will damage eyes. Will irritate the skin. Avoid contact with the eyes and skin. When using the product, wear rubber gloves. If the product is in eyes, wash it out immediately with water. Wash hands after use.

### FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126; New Zealand: 0800 764 766. If swallowed, DO NOT induce vomiting. Give a glass of water. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.

Any warranty claim against this product is limited to the original purchase price of this product only.
