READ SAFETY DIRECTIONS BEFORE OPENING OR USING

ALGICIDE CONCENTRATE

ACTIVE CONSTITUENTS:
200g/L BENZALKONIUM CHLORIDE
(or Quaternary Ammonium Compound)

APVMA: 53183/0800

CONDITION OF SALE

FOCUS PRODUCTS P/L will not accept any responsibility howsoever it will arise and whether consequently or otherwise in connection with the supply or use of these goods other than their responsibility for the merchantable quality of the goods and such responsibilities mandatorily imposed by applicable statutes. To the extent allowed by such statutes the liability of FOCUS PRODUCTS P/L is limited to the cost of the product purchased.

DIRECTIONS FOR USE

DO NOT USE when a hydrogen peroxide polyhexamethylene biguanide sanitizing system is used.

POOL CAPACITY LITRES	SUMMER DOSES (mls)		MONTHLY WINTER DOSE OR HEAVY ALGAE CONTROL (mls)
	INITIAL	WEEKLY TO MONTHLY	
10,000L	175ml	125ml	450ml

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

To prevent the water appearing hazy the product should NOT be added for at least 48 hours after super chlorinating the pool. However, during normal dosing this time delay is not required. Use the product monthly or if under high bathing load use weekly.

WINTER MAINTENANCE

If the pool is sanitized using chlorine, treat the pool every 3-4 weeks. After application of the product, filter water for 12 hours to ensure mixing, brush pool walls thoroughly and vacuum. Only use high dosage rates when the pool is not in use e.g. heavy algae and winter dosage rates.

CAUTION

Not to be used as a food container

Algaecide products must be used with a registered sanitiser when the pool is used for bathing.

STORAGE AND HANDLING

Keep out of reach of children.

Store in the closed, original container in a cool dry place out of reach of children. DO NOT store in direct sunlight.

2L: Dispose of the container by wrapping it in paper, placing it in a plastic bag and placing it in the garbage bin.

SAFETY DIRECTIONS

Will irritate the eyes, nose, throat and skin. Avoid contact with eyes or skin.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131 126; New Zealand: 0800 764 766. If swallowed, DO NOT induce vomiting. Give a glass of water. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.
