

ÖSPA
Relax

Relax with a unique range of quality products for Australian spas. The range provides a beautiful blend of products delivering a smarter, simpler and healthier spa water treatment. It's refreshing to know that your spa can be as luxurious and relaxing as it was designed to be.

Oxyshock

Oxidiser to burn out the build up of body fats and oils

- Regenerates Bromine in spa pools.
- Oxidises swimmer wastes and chloramines from spas.
- Allows quick resumption of spa use.
- Dissolves rapidly and leaves no residue.
- Easy to apply.

Lithium granules

Concentrated chlorine ideal for both heated and natural spas

- Instantly soluble.
- Stable at higher temperatures.
- Convenient packaging sizes.
- Contains no calcium.
- Won't cloud water.

Bromine tablets

Sanitising tablets designed for heated spas

- Easy to regenerate.
- Less odour than chlorine tablets.
- No chloramine issues.
- Effective over wider pH than chlorine.

Anti-foam

Specialist agent that reduces the foaming in a spa

- Quickly eliminates foaming due to detergents.
- Does not affect pH.
- Concentrated formula.

Ezi Balance

pH Balancing Agent

- Controls pH & alkalinity in spas.
- Softens spa water.
- Protects equipment.
- Simplifies spa treatment.
- Improves sanitisers effectiveness.

pH Down

Acidic powder for adjusting the pH to ensure a comfortable and safe spa.

- Slowly lowers pH.
- Safer than liquid acid.
- Prevents corrosion of equipment.
- Protects spa surface.

pH & TA Up

Alkaline powder for adjusting the pH to ensure a comfortable and safe spa.

- Instantly soluble
- Contains no calcium
- No pre-dissolving necessary.
- Won't cloud water.

Hardness Increaser

Hardness increaser and spa heater protector

- Protects the surface of the spa.
- Protects equipment and heat exchanges from corrosion.
- Consistent Quality.

Waterpolish

Liquid clarifier to improve the clarity of your spa water.

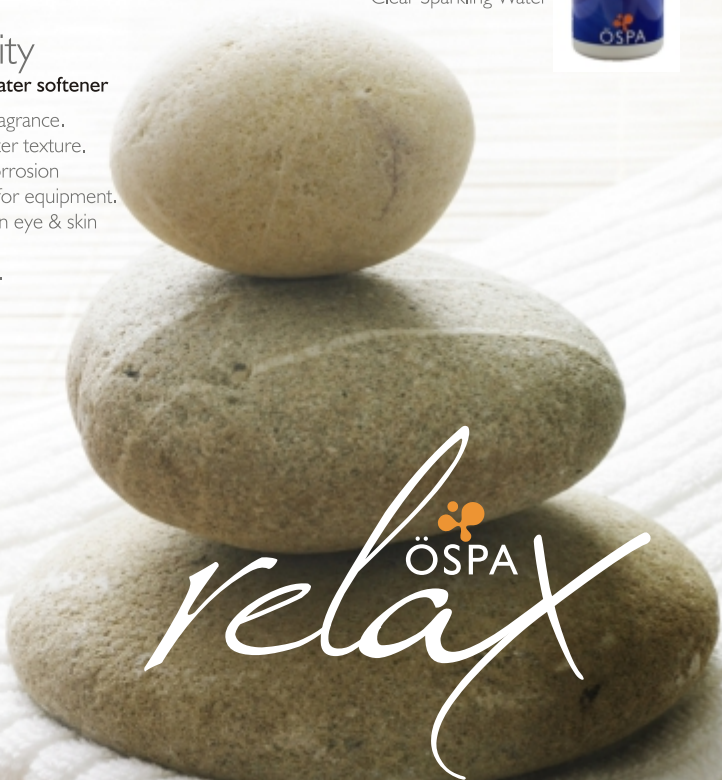

- Easy to use.
- Does not affect pH.
- Concentrated formula.
- Clear Sparkling Water

Serenity

Fragrant water softener

- Aromatic fragrance.
- Softens water texture.
- Provides corrosion protection for equipment.
- Reduction in eye & skin irritation.
- Easy to use.
