With RF and Wi-Fi Colour Touch Control Technology

Wi-Fi Control

Download **Connect Wi-Fi** Device Control

Available on the **App Store**

Available on the **Android Market**

APPLE AND ANDROID APPS AVAILABLE AT ITUNES AND GOOGLE PLAY

Colour Control

Our unique colour wheel allows you to choose from a spectrum of colours, by the light touch of your fingertip you have control of what colour, speed, brightness and modes you desire.

Wireless Touch

Countless amounts of colours wirelessly transfer to your PAL™ Light by the subtle touch of your fingertip. No more clicking buttons or flicking switches on/off to find a specific colour or mode. Our wireless touch technology lets you have the control of your PAL™ Light through RF and Wi-Fi by downloading the app to your smartphone, it can also link up to home automation.

Receiver/Driver

Wireless control via RF and Wi-Fi.
Colour Touch Technology™ and Automation link up.

Auto Sync

The PAL Colour Touch™ Driver Box links your entire lighting system to one individual LED Driver. This technology will keep your PAL™ lights in one harmonious automatic sync every time.

System Link

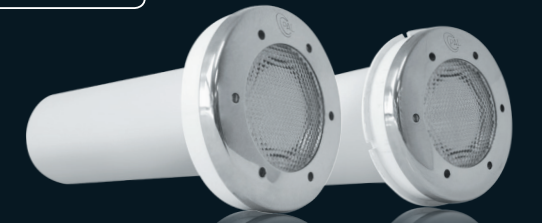

No longer are you restricted in choice, as now your options are endless with our PAL™ System Link. This unique system allows the user to customise their entire PAL™ Lighting Range throughout their home, pool and garden via individual or multiple drivers and handsets. The technology integrated into our PAL Colour Touch™ Handset and also our app for a smartphone or tablet uses an inbuilt coding process. This makes this user friendly system ideal for those who want a variety of choice, by giving them the ability to make their entire home come to light with purely the touch of a button. System Link also has the ability to link with home automation or pool automation.

Memory Recall

Our unique Memory Recall allows your PAL Colour Touch™ system to remember the last colour, speed, brightness and mode you selected. Always be able to access your last favourite choice with one easy touch.

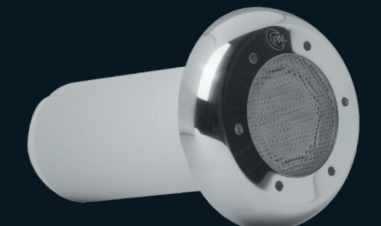

PAL Concrete Fixed & Readjustable

Recessed led light with Colour Touch Technology™ for concrete pools and spas.

PAL Fibreglass

Recessed led light with Colour Touch Technology™ for fibreglass and vinyl liner pools.

PAL Mini™

Mini LED light with Colour Touch Technology™ for fibreglass and concrete pool interiors, stairs, perimeter lighting, swimouts, beaches and water features.

PAL Mini™ Landscape Range

The PAL Mini™ is a unique 16mm diameter versatile light for both in and out of water. The beauty of the PAL Mini™ is that it is so tiny it is virtually unnoticeable, yet it will light up any step, ledge, swim out, beach entry, water feature, decking, garden or any surroundings you desire.
